

Chautauqua High School

Graduate: Chas Richardson

Graduation Date: June 96

"Parting Comments"

Truthfully, I'll have to say C.H. has been the best experience of my entire school career. Doug is one I will never forget my whole life. He is more than a teacher, he is also a friend. I can say that I love this school very much. This is more of a family, I felt, than just students and teachers. I want to say thanks for everything. I miss you guys! I love you, Doug!
