

My time here at Chautauqua has been great. During these times I got my schoolwork done, and meet cool, interesting people. My favorite person here is Doug Lane, words cannot begin to explain what a great teacher he is. Always tending to his students needs and always willing to help. If there is a question to be answered, he can answer it. If there was an award for "best teacher" he should get it.

Chautauqua has been undeniably helpful in helping me understanding all the schoolwork I had to accomplish. The whole staff of Chautauqua is made up of caring, supportive, reliable, understanding, wise, and intelligent people. Their unconditional love for all students provide for a great learning atmosphere, Big Bear High School can't even begin to compare to Chautauqua High School and what it gives to the society of Big Bear.

I think with more people like the people at Chautauqua High School the world would be great and forever willing to change for the better of everything existing.

It has been my honor to attend Chautauqua High School and learn from everybody at this school. Thank you, Steve Schour, Doug Lane, Caryn Guiterrez, Mike Kompaniez, Cass Kuck, Howard Antmann, Julie Rogers, Barry Roth and Jeanne Herr for never giving up on me.

Good Bye Chautauqua High School.
Sincerely,
