

*Comments about Chautaugua High*

*I think that this school is an excellent school.*

*The teachers are considerate, patient, and care about what happens to their kids. I like this school because it gave me a chance to catch up so I can graduate on time. I also think it is a wonderful thing that they do for young mothers. If I wasn't for me being able to bring my baby to school, I would not be graduating right now. This is the greatest school and I am going to miss it. I just wanted to say thanks to Sabra, Caryn, and Steve for being so understanding and helping me get through this year. You all have the biggest hearts and I will never forget you guys.*

*Sincerely,*
