I am now graduating from Chautauqua High School. I started Chautauqua High School in 1993 because I was not getting along with teachers in Big Bear High School. Since I started C.H.S. I had the chance to meet new friends and people that care about me like Sabra, Caryn, Cass, and Cheri. I have learned a little bit about everything, and alot about myself. And besides that, I learned alot with Sabra, Caryn, and Cass. I think I'm going to miss these crazy women. Steve, you have been a good pal with me. Thanks for supporting me, and I love you all.
