As my last day at Chautauqua High School comes to an end, I wanted to take my time to thank everyone here because without them and this program I would have never graduated. I want to thank Steve for allowing me to come back and giving me one last chance to get my diploma.

It was a long journey here at Chautauqua, 5 years actually, but there is one person here who I absolutely could not have done it without and that is Julie Rogers. Julie is one person I will always remember and will always think of her when school comes to mind. Julie has put up with me since I was a little pain in the butt 9<sup>th</sup> grader, and still puts up with me 5 years later.

Julie is the best teacher I have ever had and the only person who can motivate me and get me to work. I want to say thank you Julie, for all the help and patients, and if it weren't for you I would have never been a high school graduate.

Sincerely,  
Jimmy Garcia
