This past year at Chautauqua has been an unforgettable one. I have really enjoyed my time at C.T. I got a lot of help from everyone there, and they really encouraged me to do my best and try my hardest to graduate. I really appreciate everything. Karen really helped me a lot. She may not know how much she influenced me to do my best. I really didn't think that I would be able to do it. I also wanted to thank Howard. He was so great this year. He taught me so much this year and helped me out tremendously. We had our ups and downs but he has stuck by me and did everything he could to help me graduate, so I wanted to say thank you from the bottom of my heart. I think I have learned the most in just one year here, then I did in the last three years of high school. There were a lot of things I didn't know that I now know. Coming to Chatauqua was the best decision I could have made. Chautauqua is a really great school and I enjoyed every minute of it.
