I have attended Chautauqua High School for a year and I've enjoyed my entire stay here as a student. Chautauqua gave me hope in being able to succeed in my education. Without Chautauqua, I would be failing school and not passing.

One very important part of my stay here is my amazing teacher, Doug Lane. Doug has done so much for me and has been really understanding with my situations. He's very helpful and a great motivator. I don't think I would have enjoyed being at Chautauqua or would have completed any work if I had any other teacher besides Doug. He's really done so much for me and it's always a pleasure to have crazy conversations with him.

Chautauqua has been a great experience for me and I feel that Steve Schour has been really great and I thank him for accepting me into this school and letting me be apart of this experience.

Chautauqua High School has really made me a more responsible, young adult and I owe it all to my school.
