First I would like to say that I have enjoyed the last three years at Chautauqua. I came in the fall of 1996 when I met my teacher Julie for the first time. At first I didn't like this school, I thought that I was not going to learn anything or have fun. I felt a little out of place but eventually with Julie's help and guidance I learned to be comfortable in class. I would like to say that going to Chautauqua has made me a better person and a more educated one too.
