Graduation Date: December 13, 1995

## "Parting Comments"

Although I've only been attending C.T. a year, I've grown incredibly attached to Chautauqua and mainly the teachers. Doug was the choice teacher for academic and social complications. I'll miss him dearly. I'll miss Mike's refreshing sense of humor and Steve's concerned look. I've accomplished an abundance of lifetime information. C.T. has made me finally relish my high school career. :)
